HIRING
CAMPAIGN
AT BENGALURU
Job Location - BENGALURU

Join a fast-growing offshore engineering team working on cutting-edge FPSO projects for international clients in Guyana, Brazil & West Africa. You'll collaborate with global experts, contribute to complex design and operational solutions during detail design phase and opportunity for short-term & long-term assignments at fabrication yards abroad.

TOYO MODEC OFS India Private Limited (OFS India), operating from Bengaluru, is a joint venture company of Toyo Engineering India Private Limited('Toyo India'), a subsidiary of Toyo Engineering Corporation, Japan and Offshore Frontier Solutions Pte. Ltd ('OFS'), a MODEC Group company. This Joint venture has setup a Global Capability Center for designing FPSO.

Why Join Us?
Hybrid work environment, work from Bengaluru while staying globally connected with FPSO-centric projects; be part of a niche, high demand segment in offshore oil & gas, international exposure; opportunity for site visits, client interaction & project rotations, career growth & training; FPSO- specific upskilling, attractive compensation plus referral bonus.

Candidates with Offshore experience, preferably in FPSO will be considered.

PREFERRED BACKGROUND - Degree in Piping/Mechanical, Structure, Electrical, Instrumentation Engineering; Experience in designing FPSO topside modules and hull integration. Familiarity with international offshore standards (DNV, ABS, API, IEC, etc). Strong exposure to engineering software's: AVEVA, Navisworks, E3D, SACS, CAESAR, etc .
